Exalted Ruler's Message

Spring is my favorite time of year - the green grass is in abundance, the flowers are in bloom, and I am ready to enjoy some time outside. Around the Lodge today were lots of people playing pickleball, disc and ball golf, horseshoes, and enjoying the pool and the deck. We are so fortunate to have this beautiful property.

Today our Lodge participated in the DEA Drug Takeback Day and collected expired medications to safely dispose of. Thanks to Val Milburn, the Sheriff's Department, and other volunteers for this important effort.

We are in the process of planning our Public Safety Night on June 20th. This is where we honor our local first responders, fire, police, and sheriffs with awards for service and heroism. Please consider bringing your families up to the Lodge to help the celebration or volunteer to help us with the event.

We are grateful that the Redwood City Fire Department helped us fix our flagpole last week (the halyard was stuck at the top). This saved us a lot of money in lift rental fees.

I'd like to shout a big THANK YOU to the Activities Committee for all the fun events at the Lodge. Karaoke, Game Night, Family Night are wonderful opportunities to meet new people or have an enjoyable time with ones you know. The Activities Committee has planned an incredibly special Mother's Day Tea this month that promises to be a fun event. Bring a friend and celebrate Mothers everywhere!

I think the pool season at the Lodge is always a blast. It feels like a little bit of vacation when everyone comes out to the pool, especially when we have a band. This year we are starting up swimming lessons. Look for information about sign-ups in the Roving Elk. The Pool Committee is looking for volunteers. Look for the meeting times in the Roving Elk and please come help out.

I am excited to report that we will have a caterer at the Lodge, Austin Catering and Franks Barbeque. They are expanding their business from the San Mateo Elks Lodge. Look for their contact information to be added to our website in the near future. Events at our Lodge help us sustain our operations. Consider having your next party in the Ballroom or the BBQ area. The caterer has an extensive selection of menus available.

Other news at the Lodge includes the transitioning of our purchasing system to Square. Please be patient with us while we work out the kinks. We are also in the process of getting bids to build a ramp to the Pro Shop and finish the final details of our member deck. *(continued on page 2)*

Thanks for all who joined us for our monthly tournament at San Ramon Golf Club as well as our guests Derrick Britt, Earl Koberlein, and a low gross nod to Brad Bulcock.

Our first flight winner was Kevin Booker (79), with Christopher Kashap (80) taking second, and Jim Woolway (83) finishing third. The second flight was won by Greg Garcia (75) via tie-break with Francisco Andaluz (75) and Doug Rimer (77) finishing third. For the third flight, Ryan Blake (72) took first place via tie-break with Jeff Voltattorni (72) and Rodney Amirsehhi (74) in third place.

The low putt competition was won by Tim Small (29) in a tie-break with Greg Garcia (29), and Christopher Kashap (30) in third. Both Nick Sarles #16 and Andrew Viviani #8 had chip-ins. The long drive was way down the fairway by Tyler Booker. The closest to the pin winners were Andrew Viviani (19'0") on the front and Brad Bulcock (14'4") for the back nine.

About Our Organization

The Benevolent and Protective Order of Elks is a 155-year-old non-profit fraternal organization. There are nearly 1,800 Elks Lodges across the country.

Elks Lodges bring so much more to their communities than just a building, golf course or pool.

They are places where neighbors come together, families share meals, and children grow up.

Elks invest in their communities through programs that help children grow up healthy and drug-free, by undertaking projects that address unmet

need, and by honoring the service and sacrifice of our veterans.

The Elks spend more than \$80 million annually for benevolent, educational, patriotic community-minded programs, scholarship programs, and youth activities.

About Our Lodge

The Redwood City Elks #1991 was instituted in 1956 and has served the greater Redwood City, Woodside, and San Carlos communities for over 68 years.

Our 30-acre property, at the top of Jefferson, features a

9-hole golf course, 18-hole disc golf course, two tennis courts with pickleball lines, swimming pool and patio, gym and saunas, large BBQ picnic area, and our Lodge buildings, with dining room, lounges, game room, and offices.

Members and their families enjoy events, such as dinners, dances, and family nights, as well as having many charitable opportunities to give back to the community.
